DEALERS IN

American and Foreign

COINS & MEDALS.

To facilitate a rapid despatch of business and insure accuracy in every branch, our large trade is divided into several departments, each under a responsible head, and satisfaction guaranteed in every case. All goods we sell are warranted genuine, and a written guarantee given when required.

RETAIL STORE.

Here we shall be happy to see any of our friends visiting New York. Although it is impossible to find room in one building to have all our immense stock displayed, still we are always pleased to show any special line in which our visitors are interested.

MAILING DEPARTMENT.

Collectors favoring us with their orders by mail may always rest assured that their wants will receive immediate attention, and secure the same careful and intelligent consideration as if they personally selected the goods;—it being a standing rule of the firm that “first come, first served,” letters being answered in the order and on the day they are received, and the best specimen in stock, of those graded at same price, invariably given.

AUCTION DEPARTMENT.

Our great experience in catalogueing coins and foreign stamps, for sale at public auction, justifies us in soliciting correspondence with parties owning valuable collections of these, or kindred works of art or antiquity, which they may wish to dispose of by public auction, our terms being as low as is consistent with proper regard to our patrons' interests. Possessing the leading papers in these lines (50,000 circulation), and a personal acquaintance with a very large number of collectors, gives us unsurpassed facilities to secure the representation of nearly every American collector.

COMMISSION DEPARTMENT.

We have competent representatives at every sale of goods in which we deal, and are prepared to execute commissions to purchase for collectors at the following rates, personally guaranteeing the genuineness of all goods purchased: On purchases under \$100, 10%; over \$100, 5%; a uniform charge of 50 cents made on any amount under \$5.

PUBLICATION DEPARTMENT.

Our various coin publications have been included with our other book business, and are all kept securely packed, ready for mailing, and are sent post free on receipt of order. We annex a list of a few which should be in every person's hands.

THE COIN COLLECTOR'S JOURNAL.

SPLENDIDLY ILLUSTRATED.

A 16-PAGE MONTHLY. \$1.00 PER YEAR. POST FREE.

In forwarding to our subscribers THE COIN COLLECTOR'S JOURNAL for January, 1878, at the commencement of the third volume, we would take the opportunity of thanking our patrons for past favors, and urge them to continued exertions to increase the circulation of the Journal. As it is the largest numismatic monthly published in the United States, and as it has now attained a more extensive circulation than any other paper devoted to the interests of coin collectors, we think it is for the interest and advantage of subscribers to do something to increase its influence.

We would remind our friends that by increasing the circulation of the Journal, the number of collectors will doubtless be much increased, and, as the number of coins is limited, the additional demand will greatly enhance the value of all collections.

The publishers have never expected to realize any profit from the subscription list; all that they hope for is to make the C. C. J. a self-sustaining means of communication for coin collectors, and therefore feel justified in looking to those benefited by it to do something to add to its usefulness in the future.

We give annexed a few reasons why every coin collector should become a subscriber:

For prices realized at every **Auction Sale of Coins** in the United States during the last two years—see *The Coin Collector's Journal*.

For the fullest illustrated description of the **Centennial Medals**—see *The Coin Collector's Journal*.

For fine engravings of **Old German Dollars**, with interesting details of their history—see *The Coin Collector's Journal*.

For a complete illustrated description of all the **Copper Money** issued in England—see *The Coin Collector's Journal*.

For fine illustrations of **Old Roman Coins**—see *The Coin Collector's Journal*.

For illustrations of **Chinese Cash**, with translations of all the Chinese characters found on the coins for the last two hundred years—see *The Coin Collector's Journal*.

For good illustrated description of **Old English Silver Coin**—see *The Coin Collector's Journal*.

For fine illustrations of **Modern Foreign Copper Coins**—see *The Coin Collector's Journal*.

For a full history of the **Byzantine Coins**—see *The Coin Collector's Journal*.

For illustrated descriptive articles on **French Colonial Copper Coins**—see *The Coin Collector's Journal*.

For a full description of all **United States Fractional Currency**—see *The Coin Collector's Journal*.

For a complete chronological list of all the **Roman Emperors**—see *The Coin Collector's Journal*.

For a fine engraving of the magnificent **Canadian Confederation Medal**—see *The Coin Collector's Journal*.

For **advice to Collectors** regarding the **most desirable series** to collect—see *The Coin Collector's Journal*.

For **answer to any question** you may desire to put to the editor—see *The Coin Collector's Journal*.

For **instructions regarding Cleaning Coins**—see *The Coin Collector's Journal*.

For full description of all **United States Cents**, beautifully illustrated—see *The Coin Collector's Journal*.

For **anything and everything connected with Coin Collecting**—see *The Coin Collector's Journal*, and let the publishers see your dollars at once.

World, and giving their Accurate Specie Value.

(CHILI SILVER) 1 Peso. Value, 98c.

The Publishers beg to announce to Bankers, Brokers, and Merchants generally, that they have just issued an entirely new edition of this standard work, now in the forty-first year of publication; it has been carefully revised by an eminent authority on all matters relating to the Coinage of the world, and contains hundreds of illustrations of new coins, carefully copied from the originals, not given in former editions.

A critical examination, comparing it with other works on the same subject, will at once establish its superiority over all formerly issued, while the accuracy with which the specie value of the Coins is given, will at once recommend it to the favorable notice of Bankers and Brokers.

PRICE 50 CENTS, POST FREE.

THE

COINAGES OF THE WORLD,
ANCIENT AND MODERN.

This work is intended to give correct information on a subject of which no educated person can afford to be ignorant; and yet, till the publication of this volume, it has been impossible to obtain a general knowledge of the *Coinages of the World* without reading through dozens of heavy quartos, at great loss of time, and probably heavy expense.

By the aid of this book, any person can at once determine the nationality of any coin they may possess, and obtain much interesting information concerning the cause which led to its issue. It is well filled with beautifully executed representative coins of every people, age and country, and is the only comprehensive book on the subject ever published. The paper, press-work and binding are all of the very best. No library can be complete without it.

PRICE—CLOTH, \$2.50. HALF MOROCCO, \$3.50.

For sale by all booksellers, or will be sent, post free, on receipt of price, by the publishers,

THE COATS OF ARMS OF THE WORLD.

(RUSSIA.)

Uncolored fac simile showing size.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library or study.

As a guide to determine the nationality of foreign coins or postage stamps, (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

Printed on fine heavy paper for framing, or on the same quality of thin paper for inserting in albums. Price, 50c.

THE MERCHANT FLAGS OF THE WORLD.

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored fac-similes, showing size and style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consist in the facts that there is only one Flag to each country: more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in FIVE colors on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.

In ordering please state which paper is required.

POSTAGE STAMP PORTRAITS OF RULERS FOR INSERTION IN ALL POSTAGE STAMP ALBUMS.

These Photographs are the size of Postage Stamps, and when inserted in the spaces prepared for them, add considerable to the interest of an album.

SET OF 56 PORTRAITS, Price 50 cents.

The International Postage Stamp Album.

Illustrated with a specially engraved map of the world showing the location of every stamp issuing country.

The above fac-simile of the International Stamp Album although reduced to one quarter the size, gives a fair idea of the appearance of this new album. The pictures illustrating the designs of every series, make the inserting of the stamps in their proper places so plain that the youngest child can not possibly make a mistake. It contains a space for every stamp including some series which have been announced, but not yet issued, such as Finland, Phillippine Islands &c., ample space for new issues, and is printed, even the cheap editions, on the heaviest paper.

Without counting the endless pleasure to be derived from acting or witnessing the performance of **Seltz's American Boys' Theatre**, the fitting up, mounting and performing these Plays will be found to give more pleasure and profit for the money than the same amount expended in any other way. All the marvelous scenic effects of the modern stage can be successfully imitated, by any boy of ordinary ability, on these miniature stages, by the exercise of a little study and patience. They have been proved of incalculable benefit in developing a boy's talent, in the various faculties called into play. His mechanical invention is brought out in constructing his theatre; his artistic genius is improved in carefully coloring the characters and scenery, and his elocution perfected in reading the speeches of the different actors.

Scott & Co. would caution the public against purchasing worthless imitations, as the Plays of SELTZ'S AMERICAN BOYS' THEATRE are the only miniature theatricals ever published, giving full directions for working, &c. Every piece of this admirable series is put together and tested by professionals before being issued to the public, insuring the correct working of every piece.

Published only by SCOTT & CO., 146 Fulton Street, New York, where everything connected with Plays can be had, wholesale and retail. F. TRIFET, 61 Court Street, Boston, Sole Agent for the Eastern States. The Plays can also be had of all Booksellers and Newsdealers in the United States, and wholesale of THE AMERICAN NEWS COMPANY. Messrs. SCOTT & COMPANY

Take great pleasure in announcing to the public that they have issued this day a work of great value to all interested in the history of their country, entitled

"Colonial Continental Confederate Currency,

" Their present market value.

" To which is added a complete Price List of

U. S. Fractional Currency.

Price - - - - 50 Cents.

It would be impossible at this date to claim that the list is perfect, but great care has been taken in its preparation, and every known variety of all the different kinds of paper money which have circulated in this country, has been tabulated according to date, so that any note is easily found, while the numerous full sized illustrations of Colonial and Continental money give material aid, likewise add interest to the book for the general reader. As an instance of its completeness we may call attention to the fact that 74 pieces of U. S. Fractional Currency are catalogued, while the highest number heretofore chronicled was only 48.

Besides being valuable as a check list of all uncurrent money issued by authority in this country, it is a comprehensive price list of Messrs. Scott & Company's large stock, the prices of which have been placed as low as the great and increasing demand for these interesting mementoes of our country's struggles for existence will admit of,
